

TOURNAMENT UPDATE

The ISSA has postponed the scheduled senior tournaments for the month of April, May and June. These include the Women's Spring Nationals and Tiletown USA Championships at Valdosta, the National Capital Classic at Manassas, the Jacksonville Senior Classic, Eastern Spring National in Charlotte Area, Southern USA in Auburn/Valley, AL, Northeast USA Championships in York, PA, The ISSA Smoky Mountain Senior Classic in the Knoxville Area and the WBSC Senior World Cup in the Roanoke Valley. These events will be rescheduled (or replaced if possible) at a later date once the Coronavirus Pandemic restrictions are eased and parks are reopened.

The ISSA Staff will continue to monitor the issues surrounding the Coronavirus and continue discussions with the field owners to adjust the 2020 schedule of tournaments as necessary when the current National shutdown is lifted. Registered teams will be provided "tournament updates" periodically as new information becomes available.
