The ISSA has engaged a housing service to assist teams with their lodging and rooms are available. Teams planning on playing should contact <http://seniorsoftballhotels.com>. Teams are reminded that the tournaments at Virginia Beach and Myrtle Beach in October will allow teams to use their 2013 roster.

The ISSA US Open National Championships will conclude the ISSA 2012 Tournament competition. This event at Myrtle Beach, South Carolina promises to be a very popular senior tournament. With ocean front rooms as low as \$39 per night and the new softball playing facilities now available at Myrtle Beach, the ISSA anticipates this event will attract a record number of teams and eventually become the largest tournament on the ISSA schedule and the largest senior tournament in the East. Check the Tournament Fact Sheet for additional information and do not delay submitting the online entry form to enter this one. This will be the last ISSA event where senior teams can qualify and earn a berth in the 2013 ISSA/ISF World Tournament of Champions to be held in the Tampa Bay Region in January 2013.
