

## **2022 ISSA RULE CHANGES**

The rule changes will be in effect beginning March 1, 2022 (These rule changes do not impact the 2022 ISSA/WBSC World Tournament of Champions)

### **Residency Requirement**

**All Men's teams rosters 40-65 (AA, AAA, Major & Major Plus) can only include players from their home state (The state where most players reside) and adjoining states.**

### **Pitch Count**

**Batters will start with a 1-1 count and have a courtesy foul on third strike.**

### **ISSA Snowbird Policy**

**Only Players 65 and older can request Snowbird Status. All other Ages/Divisions must follow the residency guidelines. Players 65 or older may request to play in a geographic region outside their permanent region of residency if they own a residence and reside for (3) three or more consecutive months during the current calendar year. A snowbird player can only play in either their permanent region or their approved snowbird region in one event and not both.**
